President's Corner

I hope everyone is having a good start in the New Year. The Christmas party at GMCC was enjoyed by thirty-five members with a delicious meal and good conversation. Join us for our regular meeting on January 8th to socialize and discuss your skiing plans for the season with fellow snow skiers.

Eleven FSC members will make the trip to Banff, Canada in March to enjoy the fine skiing offered by the Canadian Rockies. Photos and tales will surely follow as usual.

I am looking forward to seeing you at the meeting on the 8th.

Larry Shell
President

Program

We will have a program about safety on the slopes. Marilyn Werner of the Blount County chapter of the American Red Cross will provide a presentation. She will talk about some of her skiing experiences and about situations that occur on the mountain and in everyday life that might call for emergency response. She will also discuss free classes such First Aid and CPR that are available locally from the Red Cross. Come and learn how you and your family can be more prepared for the unexpected, and let's look forward to a safe and happy 2010!
